Dana Pawlak  
danap@atrajanitorialsupply.com

Join us for a half-day seminar with leading industry representatives to discuss strategies to navigate budget challenges and workforce reductions while maintaining clean, safe facilities. We will explore methods to maximize your assets for increased productivity and cost management.

## Featured Presentations:

- Saving "Green" With Sustainability
- Top 3 Strategies to Streamline Labor in Cleaning Operations
- Beyond Cleanliness: Navigating IAQ as the Future of Cleaning Operations

Also, we will have ELITE suppliers showcasing some new tools, equipment and supplies at our Vendorama!
