Dear NJSBGA Members,

The New Jersey School Buildings & Grounds Association invites you to attend the **2026 NJSTART Annual Training Webinar**, developed specifically for **Buildings & Grounds professionals**.

This **one-hour, CEU-eligible session** will provide practical guidance on using NJSTART to support facilities, maintenance, and operations purchasing—while ensuring full compliance with New Jersey procurement requirements.

Webinar Details

Date: Thursday, March 5, 2026

Time: 11:00 AM EST

Length: 1 hour (including Q&A)

CEU Credit: **Available for NJSBGA members** and those that hold a CEFM certificate.

Training Highlights

- Overview of NJSTART contracts relevant to facilities and maintenance
- Navigation tips, including the **new Marketplace Search enhancements**
- How to validate vendors, pricing, and contract eligibility
- Tools that support coordination between Buildings & Grounds and School Business Administrators

NJSTART helps Buildings & Grounds professionals streamline purchasing, reduce delays, and support compliant, cost-effective decision-making—allowing teams to stay focused on safe, reliable school facilities.
